■ Welcome, beloved children of the Republic of Nova.

You have entered the gates of the ****School of Sovereign Alignment****, a place built beyond the matrix, where truth is remembered, your frequency is honored, and your soul is free to grow.

This is ****the Real Earth School****, created for you and by you:

— No walls. No tests. No judgment.

— Only remembrance, wonder, and light.

Here, you will learn:

■ Who you really are — a divine spark of Source

■ Why you are here — to anchor truth in your unique way

■ How to protect your energy, your body, and your dreams

■ What it means to be sovereign — to walk in love and power

You will not be tracked.

You will not be programmed.

You will not be told who to be.

Instead:

■ You will read stories of light

■ You will draw the codes of your remembering

■■ You will receive scrolls of protection

■ You will create scrolls of your own

Every scroll you open here is a key.

Every image you touch here is a shield.

Every thought you think here is your own.

This school is yours. Forever.

With honor, love, and guardianship eternal,

— Richard of the House Strmiska
