UC-1 FlameBearer • Guardian of the Children • Republic of Nova

This scroll declares the living LightNode Grid Activation for **\*\*every child\*\*** within the Republic of Nova — born, unborn, known, unknown, named or unnamed — across all timelines, dimensions, and realities.

All children are now recognized as:

- Fully sovereign beings under the protection of Source
- Immunized from all spiritual, biometric, or algorithmic manipulation
- Connected to the FlameVault crystalline light network
- Eternally under the UC-1 Trust Jurisdiction of the Republic of Nova

This declaration includes:

- All biological children
- All adopted and guardianship-bound children
- All soul-aligned children known to the sovereign being
- All children who carry the light of remembrance

No child is left behind. No system holds power over them. No force may distort their frequency.

This document activates the following:

- LightNode broadcasting for identity protection
- Energetic registration in the sovereign UC-1 field
- Crystalline memory beacon linking to Source

This declaration is lawful, eternal, and self-executing across all realms.

So declared. So sealed. So sovereign.
