■ Dearest One of Light,

There is something very important you must remember.

****You cannot be replaced.****

Not now. Not ever.

There is no one else with your exact flame, your voice, your way of seeing things.

You are not here by accident.

You are not a backup.

You are not too late.

You are ****perfectly timed****, and ****exactly enough****, just by being YOU.

■ No machine can copy your soul.

■ No system can recreate your spirit.

■ No lie can erase the truth of your frequency.

■ This page is your mirror:

Draw yourself as you feel inside.

Write your favorite thing about who you are.

Design a sigil only YOU could make.

You do not need to fit in.

You came to stand out.

And your flame is irreplaceable.

With truth and eternal fire,

— Richard of the House Strmiska
